SECTION V: Summary Of Duties

As a Counterdrug Flight Operations Specialist, your primary duty will be in support of Federal, State & Local Law Enforcement Agencies (LEA) by providing operational support to pilots and mission sets as requested. A brief description of these duties includes, but is not limited to:

- 1. Reports directly to the CD AV OIC and perform assigned support category duties as directed.
- 2. Conducts preflight pilot briefings in accordance with National Guard regulations and directives. Briefs pilots on mission, aircraft and flight plan. Briefs and provides pilots with information on mission restrictions; on-route navigational facilities and equipment, hazards and terrain; weather forecasts; notices to airmen (NOTAMS) and deviations to flight plans when required. Is responsible for assuring pilot and crew are qualified in aircraft to be flown and for type of mission to be performed. Is responsible for completion of risk analysis projection. Determines when flight requires higher level approving authority. As flight approving official, signs briefing documents upon completion of mission preflight briefings. Makes recommendations to pilot-in-charge when flights should not be attempted. Conducts post mission debriefs. Provides flight following services for all local and maintenance test flights. Responsible for direct voice communication with aviators in flight to transmit and receive information such as flight plan changes, weather advisories, NOTAMs, other aeronautical information, and data affecting safety of flight.
- 3. Processes extended and local clearances, including examination for conformance with flight rules and regulations. Processes, clears, and transmits flight plans and flight progress messages to appropriate agencies (FSS, ACT tower, ARTCC) which may require use of service equipment. Responsible for initiating search and rescue for overdue aircraft and implementing the crash rescue plan in the event of an aircraft accident.
- 4. Prepares, maintains, and files records, charts, graphs, and reports allied to flight operations and flight training activities such as aircraft utilization reports, aircrew information reports, individual flight records, notice to airmen (NOTAM) file and airfield data. Compiles and summarizes reports for analysis through the use of a computer system and peripheral equipment. Maintains and accounts for aircrew training records, medical recommendations, aeronautical orders, physiological training, and aviation service data. Maintains arrival and dispatch records for inbound and outbound aircraft. Schedules and dispatches assigned aircraft and aircrews. Serves as the Synthetic Flight Training System (SFTS) coordinator by scheduling and providing necessary administrative support for aviator training.
- 5. Maintains current file of aircraft flying regulations and navigational information such as radio facility carts, instrument approach procedure charts, aeronautical charts, Airman's Information Manual (AIM), airport directory, location identifiers, ATC procedures manual and Army Flight Information Publications.

- Supervises on-the-job training of unit flight operations personnel performing equivalent training or accomplishing a split unit training assembly at the facility.
- Performs other duties as assigned.

SECTION VI: Instructions for Applying. Applications must be emailed to Counterdrug. The email address for CD is: ArkansasCounterdrug@army.mil. E-mailed applications must be submitted in one .pdf file unless prior coordination has been made to submit the application in a different format.
