DUTIES AND RESPONSIBILITIES: A BAO is a National Guard Bureau (NGB) Title 10 (T10) asset assigned to a U.S. Embassy to assist the State in managing and executing requirements associated with the State Partnership Program (SPP). BAOs are assigned to the U.S. Embassy in the Partner Nation to facilitate regular contact with the SPP Partner Nation. This frequent interface is a key component for building an enduring relationship with the Partner Nation. Not all State Partnerships are supported by a BAO. BAOs are ARNG or ANG Officers selected by The Adjutant General (TAG) of their respective State who coordinate between a State, Territory, or District of Columbia's National Guard (NG) and its respective SPP Partner Nation with duty in the U.S. Embassy of the Partner Nation. As the SPP representatives, BAOs are crucial for coordinating SPP and other Security Cooperation events, initiatives, programs, activities, and investments. BAOs directly report to the Security Cooperation Office (SCO) at their assigned U.S. Embassy under the Administrative Control (ADCON) and Operational Control (OPCON) of the Geographical Combatant Command (GCC) to:

1. Plan, coordinate, execute, and oversee SPP events, initiatives, programs, activities, and investments.
2. Build long-term institutional and professional relationships between the State, District, or Territory NG and their respective Partner Nations.
3. Synthesize the NG Partnership Support Plans with GCC's Combatant Command Campaign Plan and Partner Nation Country Plan.

The BAO oversees the State Partnership Program which is located within the Office of Security Cooperation (OSC) in the U.S. Embassy Guatemala City, Guatemala. The mission of the OSC is to enhance the long-term bilateral defense relationship between Guatemala and the United States. It accomplishes this by managing several programs under the Security Assistance umbrella. These include International Military Education and Training (IMET); and Foreign Military Sales (FMS) and Foreign Military Financing (FMF). The office also manages Humanitarian and Civic Assistance (HCA) projects and plans and conducts Military to Military (M2M) events. The State Partnership Program (SPP) conducts military to military events utilizing the Arkansas Air and Army National Guard and State Agencies and non-DOD civilians either strictly as SPP events or as a Force Provider with US Army South America or US Air Force South America.

The Arkansas National Guard Bilateral Affairs Officer (BAO) to Guatemala will support the USSOUTHCOM Traditional Commanders Activities (TCA) and the National Guard Bureau's (NGB) State Partnership Program (SPP). He/she will be responsible to plan, coordinate and execute the logistics, technical support, administrative requirements for Theater Security Cooperation (TSC) engagements, exchanges, and other appropriate engagement events between the Guatemala Military of Defense Forces and Arkansas National Guard. The BAO will establish a working knowledge for coordinating security cooperation activities and resources to support the USSOUTHCOM Theater Security Cooperation Strategy, Guatemala

Country Cooperation Plan, and Guidance for Employment of the Force, Secretary of Defense Security Cooperation Guidance and the National Guard Bureau SPP Framework Guidance. The BAO will be Arkansas's primary point of contact within the Office of Security Cooperation (OSC) Guatemala. The officer will help ensure a good flow of information on SPP issues and other strategic directives between the USSOUTHCOM HQ and the OSC within Guatemala. Likewise, the officer will assist OSC Chief in the execution of their country cooperation plan (TSC), consolidate and forward requests for SPP assistance, and other TSC activities as required.
